Office of Sanitary Commissioner,

Madras, 15th April 1904.

From

Lieut.-Colonel W.G. King, C.I.E., I.M.S.,,

Sanitary Commissioner for Madras.

To

The Sanitary Commissioner, Mysore,

Through the Hon'ble the Resident.

Sir,

In former correspondence with you after the Mysore Government had declined to make a contract with the local bodies of the Madras Presidency for the supply of vaccine, you had the kindness to arrange, on my representing the inconvenience that would be felt, that a supply should be made until such time as the Madras Government Vaccine Institute was duly opened. The District Board of Cudapah ignorant of the fact when it would be possible for it to be supplied from the Madras Government Institute has, I understand, asked you to supply. I have therefore the honour to request whether it would place you to inconvenience if the contract with the Board be considered cancelled from the 1st May.

I have, &c.,
